## Independent Practitioner's Review Engagement Report

### To the Campaign JEREMY WONG – Form 26

We have reviewed the accompanying campaign disclosure statement and financial statement (Form 26) for Jeremy Wong's Ward 4 Candidate Campaign for the year ended December 31, 2025 and a summary of significant accounting policies and other explanatory information (together "the financial statement"). The financial statement has been prepared by management of Jeremy Wong's Ward 4 Candidate Campaign using the cash receipts and disbursements basis of accounting described in Note 1.

#### *Management's Responsibility for the Financial Statement*

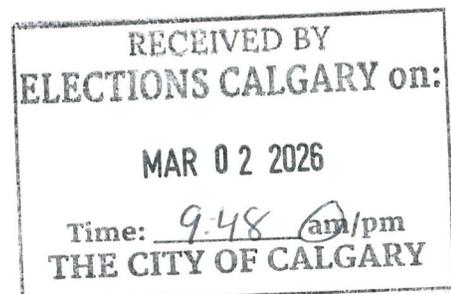

Management is responsible for the preparation of this financial statement in accordance with the cash receipts and disbursements basis of accounting described in Note 1, and for such internal control as management determines is necessary to enable the preparation of the financial statement that is free from material misstatement, whether due to fraud or error.

#### *Practitioner's Responsibility*

Our responsibility is to express a conclusion on the accompanying financial statement based on our review. We conducted our review in accordance with Canadian Generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on this financial statement.

*Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the financial statement does not present fairly, in all material respects, the cash receipts and disbursements of Jeremy Wong's Ward 4 Candidate Campaign for the year ended December 31, 2025 in accordance with the cash receipts and disbursements basis of accounting described in Note 1.

*Basis of Accounting*

Without modifying our conclusion, we draw attention to Note 1 of the financial statement, which describes the basis of accounting. The financial statement is prepared to provide information to Elections Calgary. As a result, the financial statement may not be suitable for another purpose.

Box 2100, Station M, Calgary, AB, Canada, T2P 2M5.

**Jeremy Wong – Form 26**

Notes to the Financial Statements

For The Year Ended December 31, 2025

(Unaudited)

1. Basis of Accounting

The financial statement includes only campaign period revenue and expenditures on a cash receipt and disbursement basis. The financial statement is prepared per the guidelines provided by the Local Authorities Election Act (Section 147.3 and 147.4). The statement is defined a “Campaign Disclosure Statement and Financial Statement”

2. Significant Accounting Policies

The campaign prepares its financial statement in accordance with Canadian accounting standards for cash receipts and disbursements basis of accounting. The significant accounting policies used are as follows:

Revenue Recognition

Campaign contributions are recognized as revenue when cash receipts are received

Expenditures Recognition

Campaign expenditures are recognized as expenditures when the expense is incurred.

Measurement Uncertainty

The preparation of financial statements, in accordance with Canadian generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amount of revenue and expenses during the reporting

period. These estimates are reviewed periodically and, as adjustments become necessary, they are reported in earnings in the period in which they become known.

### 3. Financial Instruments and Risks

The business risks associated with financial instruments are categorized as market (comprised of currency, interest rate and other price risk), credit and liquidity risks. It is management's opinion that the campaign is not exposed to significant market (comprised of currency, interest rate and price risks) arising from these financial instruments.

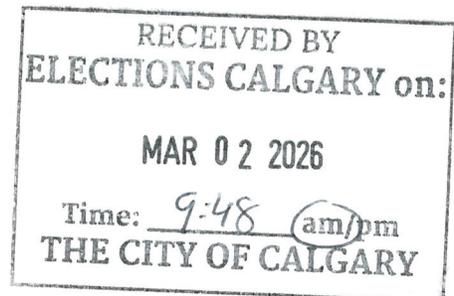

However, the company is exposed to credit and liquidity risks.

#### b) Credit Risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. The campaign is exposed to credit risk in relation to the campaign contributions. The campaign's contributions result from donations and fundraising activities. Concentrations of credit risk with respect to campaign contributions are limited, as the campaign does not recognize revenue until contributions are received.

#### c) Liquidity Risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The campaign limits its liquidity risk exposure by only spending funds when there is enough cash receipts to cover the expenditure.
